

ULTRA BRIGHT SLIMLINE LED TABLE LAMP

D/E35127

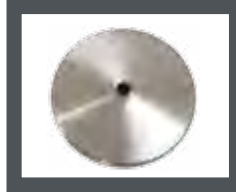

Double flexible arm

Powerful LEDs

3 brightness levels

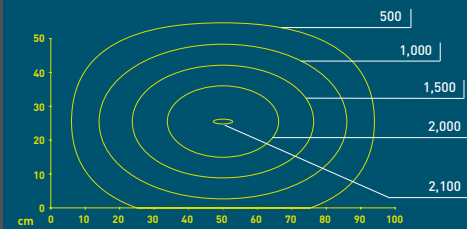

SLIMLINE TABLE BASE D52107

Available separately

This powerful, slim, LED table lamp allows a clear view over a large work area. It provides a long arm reach of 73cm (28.7") and wide, even light coverage. The daylight LEDs provide bright illumination that is dimmable. The double flexible arm allows accurate positioning. Supplied with a table clamp. An optional table base is available separately.
